Frequently Asked Questions

Q: I am a Pony Club member (green or yellow card), how many classes can I enter?
A: You can enter the Pony Club class you are graded in, plus one higher. You may also enter the Open class immediately below your graded class (i.e. Graded D can enter 55cm), OR between your two grades, however the points from the Open class will not count for the Series. This makes a total of three classes per event.

Q: I am an EA rider, how many classes can I enter?
A: You may enter three Open classes at one event per horse.

Q: How many horses can I enter in the Series?
A: You may only nominate one horse to accumulate points across the Series. If you are riding more than one horse in a Class, you must ride the Series nominated horse first. Points are tallied for your nominated horse in either Grade you enter, and whichever Grade you accumulate the most points in becomes the Grade you are ranked in.

Q: I am an EA rider, do I need to have a gear check?
A: Yes. As the event is run under PCA National Gear rules, you must follow all saddlery rules, including a gear check. The rules can be found here: https://ponyclubaustralia.com.au/sports/national-gear-rules/

Q: I am an EA rider, do I need to have a Pony Club approved helmet?
A: Yes. Helmets must meet one of the standards listed in the PCA National Gear rules - page 14 - (link above). They must also have been manufactured OR purchased within the last 5 years. Without proof of purchase, the manufacturing date in the helmet will be used for dating. Clubs may offer to tag your helmet for a small fee. Your EA helmet tag does not count for Pony Club events.

Q: Do I need to have 4 rally qualifications before I can enter a Showjumping Day?
A: No. You need to be a Financial Member with a Graded card that is presented on the day. You also need to have 2 rally qualifications recorded.

Q: I am an Adult Pony Club member, what classes can I enter?
A: A Club Adult Pony Club member (yellow card) may enter classes as per Pony Club members. Pony Club State Adult members (orange card), and EA members, may enter the Open classes only.

Q: What is the dress code?
A: Formal Pony Club Uniform for Pony Club classes. Formal Pony Club Uniform or Hacking Jackets for Open classes. Summer dress may be called on the day by the organising committee.

Q: How do I know if my Thoroughbred qualifies for Off the Track (Thoroughbred) classes/prizes?
A: They must be registered & named on the Australian Stud Book. The easiest way to find them is to enter their microchip number on the website: https://www.studbook.org.au/

Q: What is a Table A – Article 238.1.2?
A: All clear rounds to standby for jump-off at completion of the class. Placings determined by least faults in jump-off in the fastest time. Used to be called AM3.

Q: What is a Table A – Article 238.2.2?
A: Same as 238.1.2, but time from the first round used for any equality of placings after second round. Used to be called an AM5.
